

# Building Hope Brick by Brick

## ACTIVITY 5 House Money Box

TIME:

**20 minutes**

PREPARATION/RESOURCES:

**Money box template worksheet**

**Scissors**

**Felt-tips/crayons/pencils**

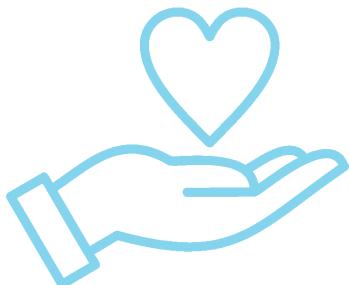

Before getting started with the practical part of the activity, make sure and explain to the young people about why the Diocese are raising funds for Habitat's programmes in Malawi. (*All information can be found on the Habitat website: [habitatreland.org/brickbybrick](http://habitatreland.org/brickbybrick)*)

Now, give each young person a copy of the money box template. Ask them to carefully cut out the house money box and colour/decorate it however they would like.

It may be a good idea to print on card or stick the template onto card, to make it sturdier.

Ask everyone to take their money box home with the, and to fill it up with small change over the next few weeks and months, before bringing it back to donate to the 'Building Hope Brick by Brick' campaign.

*Alternatively; use a small Pringles tin and decorate the outside with houses, and then cut a small coin slot in the plastic lid (will require an adult!)*
